Subject: ART #41-130

I am returning the above artboard that Landor-Hong Kong made for the Alpine USTE-6 STAR CLOSURE. This was made to incorrect dimensions for a standard 20's SP closure.

It reads .800" X 1.710" instead of .750" X 1.750". Can you please advise Landor, so that future art will be correct. Also, let Carolyn Turner know if this art should be obsoleted from our records.
